

## **PUBLIC ANNOUNCEMENT**

### **SFOBB West Approach Seismic Retrofit Project**

#### **Demolition of the Harrison Off-Ramp**

**Beginning 7:00 AM, Sunday, October 30, 2005** preparation work for the upcoming demolition of the Harrison Street off-ramp will begin at the corner of Sterling Street on-ramp and Bryant Street. Parking will not be permitted on the south side of Bryant Street between Beale Street and the Sterling Street on-ramp between 6:00 PM Tuesday, November 1<sup>st</sup> until 6:00 AM Monday, November 7, 2005. However, Bryant Street will be open to through traffic both east and west bound directions from Sunday, October 30 until 9:00 PM, Friday night, November 4, 2005.

**Beginning 9:00 PM Friday night, November 4, 2005** until 7:00 AM, Saturday morning, staging of heavy equipment and trucks will take place along the Sterling Street on-ramp to eastbound I-80 (Bryant Street).

**Beginning 7:00 AM Saturday and Sunday mornings November 5 & 6, 2005** until 10:00 PM, Saturday and Sunday nights demolition of the Harrison Street Off-ramp will take place.

- The Sterling Street on-ramp to eastbound I-80 (via Bryant Street) will be closed 9:00 PM November 4th – until 6:00 AM Monday morning November 7th, due to the close proximity of the demolition area.
- Bryant Street, from Beale Street to Sterling Street on-ramp will remain closed throughout the weekend beginning 9:00 PM November 4, 2005 until 6:00 AM Monday morning, November 7, 2005.
- Loading, hauling debris, staging and other construction activities will take place after 10:00 PM each night until 7:00 AM.
- The work being performed involves several demolition activities throughout the weekend. Residents and businesses should expect noise from the construction activities.
- Dust, noise and vibrations will be monitored throughout the demolition.
- Detour signs and flaggers will be posted.
- Access to local residents and businesses along Bryant Street will be maintained.
